SOME OF MY DESIGN ACTIVITIES

ux/ui hub

Vitamin K, 2024

my role: UI designer

Cooperating with Vitamin K, providing ideas and design for the application and web, UX writing, and helping with manage data in Airtable.

portfolio site

2023

my role: web designer / front-end developer

My portfolio website - I designed and coded the website myself using VS Code and the GitHub repository.

web application

HomeFix Hub- concept, 2024

my role: UI designer

A social platform for offering and seeking help in the field of private renovation of houses and apartments.

WORK EXPERIENCE

visual designer & creative consultant

05.2015 - present, 3C, Poland & remote

Collaborating with diverse clients, assisting them in meeting their business needs while creating captivating and impactful visual experiences. Discuss, understand, conduct research, and **develop projects considering the budget, use cases, and client's goals.**

Clients receive valued market insight and high-quality materials following the agreed brief improves the clients' visibility and public appearance.

Working with cross-functional teams from different countries (Poland, Eastern Europe, and Egypt) and **collaborated with developers** from the United States for private projects.

team leader / printing technologist

11.2016 - 10.2018 & 11.2019-04.2021, bySolarq, Poland

Coordinating a printing department of 3 people.

Managed the flow of materials along with the team, conducted desktop publishing projects review, acted as a connector between the sales and production departments and worked with the unique needs of clients and subcontractors.

Printed materials and ensured almost 100 percent quality and on-time delivery to customers.

print & copy editing coordinator

06.2019 – 08.2019, Avon, Poland

Delivering layouts for Avon catalog every three weeks in 5 languages.

Conducting desktop publishing and communicating with graphics designers to make recommendations and resolve issues.

Avon catalog was published on time every three weeks for 5 countries, ensuring product sales continued.
